The UArizona Center for the Philosophy of Freedom and Arizona Center for Judaic Studies presents **An Unforgettable Evening and Oral History Screening with Holocaust Survivor Hanna Zack Miley**. UArizona President Robert C. Robbins, Speaker of the Arizona House of Representatives Ben Toma, and Rep. Alma Hernandez are scheduled to participate in the event.

Hanna's story is a warm reminder of the power of forgiveness. She was born in Germany in 1932, shortly before Hitler seized power. Facing the threat of antisemitism, on July 24, 1939, Hanna's parents, Marcus and Amalie Zack, placed her on the "Kindertransport" train to England. They would never see her again.

Hanna has since discovered newfound freedom and joy in sharing her story around the world and through her writing and speaking. Come experience Hanna's story at this free community event.
