Intermediate Modern Hebrew

Hebrew is the CORE of the Judaic Studies Major and Minor

* Small Class Sizes
* Rich Cultural History
* Meets Foreign Language Requirement

The course emphasizes all facets of the language – listening, speaking, reading, and writing. It builds upon the completion of Elementary Modern Hebrew courses. In JUS 203B students will enhance their knowledge of grammar and complex sentence structures. Students will read more complicated reading passages, listen and view more complex video clips, be able to write short essays and to conduct meaningful intermediate level conversations.
